

South Hill Primary School School Council Meeting

Spring 1: Pupil Wellbeing - How can we make learning in your classroom more fun?

School Council Meeting. (6.2.23.)

- Working with different partners in class.
- Activity sheets, colouring sheets and puzzles to complete at break time.
- Themed days such as Wellbeing Wednesday, Friendship Friday.
- More dressing up opportunities.

Feedback from whole school via the School Council Box

- More orienteering.
- Increased learning outside.
- Working with different classes in our year groups.
- Helping the younger children to read.

Ideas Chosen by the school council (24.2.23)

- Increased amount of outdoor learning opportunities.
- Further opportunities to work with different children in the class during our learning.
- Helping the younger children to read.
- **Whole School Next Step:** More movement in lessons.

Actions taken

- School Council Lead to send out an email to all Teachers and TA's with regards to creating all three of these opportunities. Teacher's and TA's to provide evidence of these occasions via planning/photographs. Email sent **27.2.23**.

South Council Evidence from pupil voice Spring 1.

In our summer term we will be placing our outdoor cushions and boxes of books in the gazebo all ready for the children to read with their younger peers.

When planning our lesson, we are now incorporating opportunities for outdoor

During our PE assembly on 27.2.23 led by Mrs Howard, the children said they took part in the following movement breaks during their lessons.

- Go Noodle
- Daily Mile
- Stretching
- Sit and stop
- Brain breaks

English

PSHE

In our lessons the children are having extra opportunities to work in different groups with their peers.
