GAME ON DEVELOPMENT CENTRES

Game On's three Development Centres are holding open trials for players to join our existing squads.

These trials are designed for children who have excelled in school football or grassroots teams and are ready to take the next step with more advanced coaching.

Over the years, we have supported the progression of more than 35 players into professional club academies, and it also serving as a clear pathway into our JPL teams.

Our Watford Centre trains every Wednesday evenings, whilst our Tring & St. Albans train on Monday evenings.

Please note that attending our Development Centres will not affect any weekend teams your child currently plays for
