Safe spaces – some children have a '**safe space**' both inside and outside of our classroom. Please be **respectful** of these areas.

Worry Monsters – in our classroom, at the front of class, we have a '**Worry Monster**' called Murray. If you are **worried** about something, you can put a note or your name in the monster and an **adult** will know you need some **help**.

In Year 2, we will be **learning** about so many exciting topics! These will include:

Learning how to use techniques with clay and making flowers using clay.

Learning and exploring animals and why they are suited to their habitats.

Learning all how our school has changed over time.

Learning about The Great Fire of London and making our own emergency vehicles.

School trips and shows

In Year 2, you will take part in the Year 2 **Christmas Production** in the Autumn term.

We will be bringing our learning to life by visiting:

- **The Roald Dahl Museum** to inspire our English writing and reading

Homework

Homework forms an important part of consolidating our learning and getting pupils into good routines for secondary school and beyond.

Class teachers also put regular updates on Classdojo. **We do not use the messages feature of the app and ask that all messages to teachers are sent via the school office or in person please.** Messages sent via Classdojo will not be responded to.

- **Water bottles** – You will need a water bottle to bring to school every day with your name on it. We put these in the box by the sink in our classroom.

- **PE day** – Our PE lessons are on a Monday and Tuesday. Please come to school that day wearing your PE kit.

- **Fruit snack** – A fruit/vegetable snack is provided every day for children in Year 2. If you prefer you can bring in a pot or piece of fruit/vegetable to have as a snack at playtime.

Timings

Learning starts at **8:40 am** and the **register** is taken at **8:50 am** and you will enter via the **KS1** door where you entered for Year 1.

The school day **finishes at 3:15pm** and you will be picked up from the gates between the dining room and reception.

Family reading will take place every **Tuesday**, **Wednesday** and **Thursday** 8.40am-8.50am.

Children come into class with you, find a quiet area and spend time reading a book together with you. This is a calm, focussed reading time. Please keep any siblings with you. If you cannot come in to read then do not worry, we will make sure your child reads with us or another family. The bell will be rung at 8.50am when parents can leave, and we take the register. This 10 minutes reading makes a huge difference to progress.

Reading books and reading records

At the start of their reading journey, pupils will have three types of reading books: Prime, Power and Pleasure. When pupils graduate from the Read Write Inc phonics scheme, they will have two types of books – Power and Pleasure.

Power books will be changed **once a week** on a **Monday** and **Prime** books will be changed **once a week on a Friday**. **Your library day is on a Tuesday**. Pupils can choose a reading book they would like to read from their colour book band.

Pupils are expected to read regularly at home and have their reading record signed by an adult **5 times per week** in their reading record book.

PRIME Books are linked to a RWInc Book that is used in phonics sessions and has matching sounds. These books are essential for decoding and for early reading.

POWER Books are levelled by book bands, they are from a variety of reading schemes. These books give a structured approach to children developing their reading further.

PLEASURE Books are 'real books' found in the school library and class reading areas.

How can I help my child at home?

We would really encourage you to talk to your child regularly about what they have been learning about in school. A good starting point could be:

“Tell me about your day.”

We would also recommend:

- **Reading**- Ensure your child is reading at least 5 times a week and ask them questions about what they have read to ensure they understand and develop their comprehension skills. Read books to your child and try to use a wide variety of genres and types of book.
- **Verbal feedback**- Ask your child about their learning daily and find out about their school day. Ask them what conversations they have had with their class teacher about their learning.
- **Homework routine**- Set a weekly timetable so that your child gets into a good routine of doing homework, including reading, practising their spellings and times tables and completing homework tasks.
- **Learning through play**- Use games at home to practise key learning skills. For example, you could ask your child to write a story, act out a play, write a shopping list together, make a model, show you another way of completing a maths calculation - the possibilities are endless!
