Thank You – R Berry

Thank you for the nomination

Hope can do the role justice; RB likes to see the children happy and the positive effect the PTA can help the school

Will organise the first committee meeting to plan/organise the events of this year

Main aim to raise money for the school - likes to see what we can do for the school e.g. the friendship bench, mural– loves to help build a school that can be enjoyed

GK – plan a meeting to collaborate with the school on what would like to be committed to this year and also cross off outstanding items that were committed – litter pickers

Uniform sale – locate a cupboard to store, sort through all the items and schedule first sale. Lots of interest. Consider if you bring in uniform, you could then get a token to buy a price of uniform or donate your token for someone else to use.

PTA Storage – cost, discuss location and collaborate with school to find solution (possibly in downstairs area by toilets – discussed with MD and KS)

Open ideas

- How can the PTA help the school
- Set up a suggestion box
- Consider the times of the meeting so more people can attend
- Parents events – quiz nights, race nights = this will help build a parent community
-

Class reps – ask if current reps want to continue in role, reach out the new reception parents

Set up a sign up app – R Berry to look into options. This would give parents more time to be aware of events/meetings so they can arrange to attend

PTA Notice board – have a visual for parents (possibly in the school notice board at front of school) think about newsletter, a lot of positive feedback from the first newsletter that was issued

School Shops – happy to continue as children enjoy these events, think about scale back and simplify. Think about Christmas shop mother's day and father's day

Time Bank – suggested by K Stewart, for parents to sign up for one hour help at the school

Ask for help – make it clear on the events that need help, times and communicate clearly. Don't be afraid to ask for help

R Berry – loves all ideas and lots to be excited about

End of meeting
