Dear Head Teacher

New Parent Talk

The Public Health Nursing 5-19 (School Nursing) Service, have developed a short whiteboard animation, illustrating what our service offers, that can be shown to new parents.

There is a link to this presentation, which is a YouTube clip: https://youtu.be/7RoTkp3vkB0

This can also be found on the Family Centre Service website:
https://www.hertsfamilycentres.org/

Unfortunately, we are unable to attend new parent talks in person, however for any parents with questions, after seeing the animation, please direct them to our enquiries number – 0300 123 7572

Yours sincerely
