

Electric Umbrella

30th November 2023.

South Hill School enjoyed a wonderful concert on the 30th November from Electric Umbrella.

The performance was magical, with lots of audience participation.

Electric Umbrella taught the children how to do actions to the songs using Makaton.

We even got to sing Electric Umbrella's new song entitled 'Kindness is just not for Christmas'.

One of the artist dressed up as a super hero.

The South Hill Staff absolutely love Electric Umbrella.

The smiles on the faces show that had such a good time.

Electric Umbrella thanked South Hill School children for being such a wonderful sports during the whole performance because they were all so keen and enthusiastic.

We hope to see Electric Umbrella next year because they always give us such a great feeling of wellbeing.
