

**South Hill School Welcomes Miss Chandler.**  
**Forging links with our local community.**

School Council members to hand over bags of kindness.

Miss Chandler works for a local charity. It is called “I am cherished”. In her job she gives lots of advice and support to ladies and families, when times are difficult for them.

I AM

  
Cherished

The reason she has joined us today at South Hill School is because we would like to say a huge thank you for the brilliant work she does in our community and donate some “Bags of Kindness” to give to these ladies and families who need lots of support.

## How did the bags of kindness come about?

During South Hill School's Feeling Good Week, Mrs Albery asked Mrs Smith in Reception to make us some bags and she kindly agreed.

Then Mrs Albery asked our fantastic PTA and Miss Wellbelove to donate some items for them. These ranged from some children's books, chocolates and bath bombs.

Our brilliant School Council put all the items in the bags.

We hope our bags of kindness make a little bit of difference to the ladies and families you support.
