Homework

Children will be provided with homework on a Tuesday and a Friday. This will be from CGP books and will cover spelling, punctuation and grammar, writing, reading and Maths (reasoning and arithmetic).

Pupils will also be given **spellings** to learn on a Wednesday, ready for a test the following Wednesday. We also expect them to practice times tables at home regularly using the app '**Times Table Rockstars**', as well as **reading** at least five times per week.

Reading books

At the start of their reading journey, pupils will have three types of reading books: Prime, Power and Pleasure.

When pupils graduate from the 'Read Write Inc' phonics scheme, they will have two types of books – Power and Pleasure.

PRIME Books are linked to a RWInc Book that is used in phonics sessions and has matching sounds. These books are essential for decoding and for early reading.

POWER Books are levelled by book bands, they are from a variety of reading schemes. These books give a structured approach to children developing their reading further.

PLEASURE Books are 'real books' found in the school library and class reading areas.

Reading Records

Most pupils in KS2 will have two books; one book from our whole school reading scheme and one book for pleasure.

Reading scheme books will be changed **twice a week** on a **Monday and Friday**. Pupils can choose a reading book they would like to read from their colour book band.

Pupils are expected to read regularly at home and have their reading record signed **5 times per week** in their reading record book – children can sign their own reading records and adult signing at least once a week

In class, Pupils will participate in regular reading Activities with their class teacher and TA and this will be shown by a stamp and/or short comment in their reading record.

Housekeeping

- **Waterbottles** – please could we ask that every child has a named water bottle in school and this is taken home daily to be cleaned and refilled.
- **PE Day** – Pupils need to wear their PE kit to school please on their PE day. This is:
 - Tuesday and Thursday for Hazel
 - Wednesday and Thursday for Sycamore
- **Fruit snack** – Pupils can bring in a pot or piece of fruit/vegetable to have as a snack at playtime.

How can I help my child at home?

We would really encourage you to talk to your child regularly about what they have been learning about in school. A good question to ask is:

“Tell me about your day.”

We would also recommend:

- **Reading-** Ensure your child is reading at least 5 times a week and ask them questions about what they have read to ensure they understand and develop their comprehension skills. Read books to your child and try to use a wide variety of genres and types of book.
- **Verbal feedback-** ask your child about their learning daily and find out about their school day. Ask them what conversations they have had with their class teacher about their learning.
- **Homework routine-** Set a weekly timetable so that your child gets into a good routine of doing homework, including reading, practicing their spellings and times tables and completing homework tasks.
- **Learning through play-** Use games at home to practice key learning skills. For example, you could ask your child to write a story, act out a play, write a shopping list together, make a model, show you another way of completing a maths calculation- the possibilities are endless!
