Year R	Describe how the body feels when still and when exercising.	Create a short sequence of movements. Roll in different ways with control. Travel in different ways. Stretch in different ways. Jump in a range of ways from one space to another with control. Begin to balance with control. Move around, under, over, and through different objects and equipment.	Join a range of different movements together. Change the speed of their actions. Change the style of their movements. Create a short movement phrase which demonstrates their own ideas.	Control body when performing a sequence of movements. Participate in simple games.
Year 1	Describe how the body feels before, during and after exercise. Carry and place equipment safely.	Create and perform a movement sequence. Copy actions and movement sequences with a beginning, middle and end. Link two actions to make a sequence. Recognise and copy contrasting actions (small/tall, narrow/wide). Travel in different ways, changing direction and speed. Hold still shapes and simple balances. Carry out simple stretches. Carry out a range of simple jumps, landing safely. Move around, under, over, and through different objects and equipment. Begin to move with control and care.	Copy and repeat actions. Put a sequence of actions together to create a motif. Vary the speed of their actions. Use simple choreographic devices such as unison, canon and mirroring. Begin to improvise independently to create a simple dance.	Perform using a range of actions and body parts with some coordination. Begin to perform learnt skills with some control. Engage in competitive activities and team games.
Year 2	Recognise and describe how the body feels during and after different physical activities. Explain what they need to stay healthy.	Copy, explore and remember actions and movements to create their own sequence. Link actions to make a sequence. Travel in a variety of ways, including rolling. Hold a still shape whilst balancing on different points of the body. Jump in a variety of ways and land with increasing control and balance. Climb onto and jump off the equipment safely. Move with increasing control and care.	Copy, remember and repeat actions. Create a short motif inspired by a stimulus. Change the speed and level of their actions. Use simple choreographic devices such as unison, canon and mirroring. Use different transitions within a dance motif. Move in time to music. Improve the timing of their actions.	Perform sequences of their own composition with coordination. Perform learnt skills with increasing control. Compete against self and others.
