South Hill Primary School
"Building Character, Learning Together"

1. Introduction

South Hill Primary School is committed to providing a supportive, caring and safe environment in which all children are free from the fear of being bullied. As a school we take bullying and its impact seriously. Bullying of any form is not tolerated in our school, whether carried out by a child or an adult.

Bullying behaviour is unacceptable in any form. Anyone who knows that bullying is happening is expected to tell a member of staff. Any child who is a victim of bullying will be dealt with in a sympathetic manner. If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff informed and then discussed with a member of the SLT or headteacher. A clear account of the incident(s) will be recorded. All relevant staff will be informed so that close monitoring of the victim and bully can begin. Parents of both parties will be informed.

If bullying does occur, all pupils and parents should feel safe to tell an adult and to know that incidents will be dealt with promptly. South Hill School is committed to working with staff, governors, pupils and parents/carers to create and maintain a school community where bullying is not tolerated.
