

South Hill Primary School

SCHOOL COUNCIL

# How we became part of the School Council?

- At the beginning of the academic year two children (one boy and one girl) from year 1 to year 6 are voted to be members of the school council by their peers.

# Our School Meetings.

- The School Council meets once a term.
- Mrs. Albery is given a question to ask the children by our Head teacher. These range from how we can improve our school environment to how we can make our learning more fun.

# Our School Meetings.

- During the meeting every child has a chance to discuss share their own opinions. By doing this we are following the values endorsed by in the South Hill Way (Reflect, Responsibility, Resilience and Respect).
- Furthermore, we are following the British Value of Democracy where we all listen to others and respect individuals opinions.

# Using pupil voice to improve our school.

- Our school council uses **pupil voice** to make improvements for the greater good of the children. For example in our Autumn term, we are asked for a new bin to be implemented around the daily mile. Every class to keep their cloakroom tidy and a reward given to promote this. We now have golden dustpans awarded to the best class in KS1 and KS2 on a Friday in our Celebration assembly. Finally, a new kitchen is being installed to improve the D&T experience for all children.

# School Council Actions.

## South Council Evidence from pupil voice Autumn 1.

.....

Our wonderful behaviour leads will be monitoring the KS1 corridors during break time and lunchtime.

The PTA are currently purchasing a new kitchen for our School. Mrs Tomsa (D&T Lead) has already purchased some new cooking utilities.

In Friday's celebration assembly the children are informed which key stage has won the golden dustpan for the tidiest cloakroom.

# Making links with the wider community.

- We have taken part in School assemblies with The Right Honorable Mr. Michael Penning and more recently we gave some "bags of kindness" to a local charity called "I am cherished".

# What happens to our hard work.

- Mrs. Albery shares these findings with the Head Teacher. Mrs. Albery, makes sure this information is published on the South Hill School - School Council page.

# Questions to the governors.

- What is the motivation for doing this role?

# Questions to the governors.

- What are the perks for doing this role?

# Questions to the governors.

- Can you name three things that you think South Hill School is good at?

# Questions to the governors.

- Can you think of South Hill's School next steps and what it needs to improve on?
