A promotional graphic for Brownies. The left side has a yellow background with the word 'Brownies' in large black font, a magnifying glass icon over the 'i', and the text 'Girls have nonstop fun, learning and adventure for ages 7 to 10'. Below this is a small robot icon and the Girlguiding logo. The right side features a photo of a girl with her arms raised in excitement, wearing a yellow vest. Overlaid on the photo are several cartoon icons: a blue face with a wide smile, a red face with a wide grin, and a purple face with a wide grin. A speech bubble from the girl says, 'I like doing things outside... we get to learn about our environment and how to care for it' Jessica.

A promotional graphic for Brownies. The left side features a photo of a girl wearing a yellow helmet and a yellow vest, smiling broadly. The right side has a white background with text and illustrations. The text describes the variety of activities available to girls. To the right of the text are illustrations of a wooden signpost with two red arrows pointing in opposite directions, and a trail of purple footprints. At the bottom right is a paint palette with various colored dots.

Brownies is full of
firsts: she might
grow her first plant,
bake her first cake,
put up (and take
down) her first tent,
light her first fire,
go on her first fun-packed
weekend away with
guiding friends.

There's something for every girl
at Brownies, and plenty of
moments she'll never forget.
