South Hill Primary School – Early Years Foundation Stage overview

School vision

All pupils at South Hill flourish through a nurturing environment, which builds confidence and resilience and a lifelong love of learning

Early Years Foundation Stage vision

Children in Early Years are valued as unique individuals.

The stimulating environment is enhanced to reflect their interests.

Our Early Years provision develops the building blocks in learning in preparation for Year 1. Intent **Implementation Impact** At South Hill we recognise that all children are individuals, who How we will help children to learn At the beginning of the Reception year all learn at different rates and come to our setting with their own Children will learn through a balance of adult directed teaching and child initiated children will be assessed using the unique experiences and interests. These are used to plan and Reception Baseline Assessment (RBA) as learning. deliver learning experiences tailored to the needs of children in well as our own baseline assessment. Children will be taught specific skills and concepts in small, adult led groups. each cohort. Opportunities for children to practise these newly learnt skills will be provided in the These will be used as starting points to Our intent is to deliver an Early Years curriculum: provision, both indoors and outdoors. plan and deliver experiences and learning that exposes children to rich language and vocabulary and Our learning environments will be organised in such a way that children are able to to meet the individual needs of children in provides opportunities for the pupils to practise this develop independence and lead their own play and learning. the cohort. give children opportunities to shine in various ways High quality adult interactions will take Adults will observe children's play and interact where appropriate - through talking, that allows children to experience a variety of high quality place on a daily basis, where adults are modelling, questioning, explaining, encouraging and suggesting. texts, shared by enthusiastic and engaging adults able to scaffold learning in the moment in Children will be challenged and encouraged to problem solve. that provides children with new and engaging learning order to help children achieve their goals. Reading is at the heart of our curriculum. We follow the Read, Write Inc phonics experiences, knowledge and concepts, which build upon their scheme and this is reflected within the provision available. interests and needs At the end of Reception, all children will be that provides children with opportunities to learn and practice In our curriculum, we choose high quality texts to share with children as a basis for assessed using the Early Years Foundation new skills learning to teach topics. These high quality texts allow us to explore all areas of Stage Profile. which is ambitious and challenging with scaffolds to enable learning in a focussed and engaging way. Pupil's will have built and developed the children to succeed We follow the Herts Essentials for Mathematics in Reception, and focus on necessary skills in order to have achieved Our Curriculum is planned and sequenced using: embedding a deep understanding of the foundations of number and number our curriculum ambitions. **Development Matters** patterns and encourage the acquisition of mathematical language. Pupils learn The impact of the Early Years curriculum Core texts approach through games and tasks using concrete manipulatives, which are then applied to will be evidenced through continuous and Children's interest, experiences and needs their own learning during exploration. effective monitoring by the Early Years Festivals and community celebrations We have an inclusive approach so that all children learn together. However, we run a Leader, EY teachers and SLT through: Parent/Carer information number of interventions to provide scaffolds and support for those children who Action plan Adult knowledge may not be reaching their potential. These additional interventions include 'Time to Learning walks Sequenced forms of work in Phonics and Maths Talk', supporting children with low communication and language skills. We also **Pupil voice** provide enhancements for those children whose learning needs to be moved on. Staff voice We have developed the following ambitions, which are unique to Parent voice South Hill: Lesson studies Communicators **Book scrutiny** Collaborators Staff CPD Calculators Effective planning Community
