

South Hill Primary School School Council Meeting

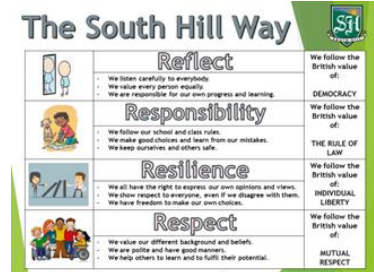

Summer 1: Pupil Wellbeing – How can we improve certain areas of the school, such as the dining room, toilets and assembly hall?

Feedback from whole school assembly (27.4.23).

- More art in the school hall.
- Brighter canteen.

School Council Meeting (25.5.23)

- Air freshener in all toilets.
- School moto to be placed in the hall.
- Taps mended in the KS boys and girl's toilets.
- Tiles on floor in school hall need securing.
- Chairs in the assembly hall for year 6, during Celebration Assembly.

Feedback from whole school via the School Council Box (15.5.23).

- All taps working properly in the toilets.
- Tiles on school assembly floor secured.
- Have some potted plants in the dining hall.
- Television in the dining room.
- Table cloths in the dining room.
- To be able to sit where ever we want in the dining hall.
- More colour in the school toilets.
- Air fresher's in toilets.

Ideas Chosen by the school council

- Air fresher's to be placed in all of the toilets.
- Tiles on the school floor secure.
- All taps working properly in the toilets.

Actions taken

- Mrs Albery to ask our Business Manager to purchase air fresher's for the children's toilets and ensure all the taps are in working order.
- Mr Donley our Site Manager has had to call in specialist advice regarding the tiles in the school hall. Mr Donley is getting quotes for the work. We endeavour work to commence in Spring 2024.
