Headteacher's Homework challenge

Dear parents,

We are incredibly proud of the diverse range of ethnicities, cultures and heritage represented through the children and families within our school community.

Outside of each of our classrooms and offices, our staff team have produced a sign to tell our pupils about our own background. We have included facts such as:

- Where we were born
- What countries our family have connections to
- What languages we speak
- Where we have lived or travelled

Where am I from?

I was born in Barnet, England. 

My mum is half Polish and half Scottish.  

My dad's family is from Egham, Surrey.

My partner is half Portuguese and my children support England and Portugal! 

I used to live and work in Rome, Assisi and Spoleto in Italy. I speak Italian. 

Miss Wellbelove

Where am I from?

I was born in Luton, England. 

My mum is half English and half German because my Grandad was German. I have lots of family in Germany and we often went on holiday to visit our relatives when we were kids. 

My husband is English and some of his family were French. 

I love travelling and my favourite country to visit is America.

We would love to celebrate this further by having pupil versions of these signs displayed in school. Your child can earn themselves a Headteacher's award sticker and silver coin for their House (worth 25 points) by producing a poster to show their own information, which can be completed with help from an adult at home. These will then be displayed in school.

Posters can be completed using the attached powerpoint proforma and then filled in on a computer or they can be drawn on a paper template (which is available in the school office).

The deadline for entries is Friday 31st March and these can be emailed to the school office using admin@southhill.herts.sch.uk or given in to the school office by hand.

We would really value your support with this project so that we can celebrate the diversity of our school community.

Yours sincerely
